

# THE RULES

1. License required for each instrument
2. Electronic Login / Logout
3. Electronic Reservation System  
(rules specific for each instrument)
4. If it breaks or doesn't work, **report it immediately & put a note on the instrument.**
5. Leave instrument with standard sample, locked, in default hardware configuration.
6. Hardware changes (e.g. probe change) by authorized personnel only.
7. Use only Kontes 33-220 or Wilmad 507-PP NMR tubes (storeroom).
