University of Arizona Faculty Positions. The Department of Chemistry and Biochemistry of the University of Arizona seeks applications from PhD scientists for up to two tenure-eligible faculty positions beginning Fall 2013. Applicants with research and teaching interests in all areas of modern biochemistry, inorganic chemistry, and experimental physical chemistry, including cross-disciplinary candidates, are encouraged to apply. The rank of these positions is open. Candidates at the rank of Assistant Professor will be expected to establish a successful, independent research program. Applicants with highly visible, externally-funded research programs will be considered for appointments at the rank of Associate or Full Professor. To apply, please submit a letter of application, curriculum vitae, and statements of research and teaching interests online at www.uacareertrack.com (position #51203). Three letters of recommendation should be sent by email attachment to cbc-facultysearch@email.arizona.edu or to: Faculty Search Committee, c/o Margaret Gomez, Department of Chemistry and Biochemistry, University of Arizona, P.O. Box 210041, Tucson, AZ 85721-0041. The University of Arizona recognizes the power of a diverse community and encourages applications from individuals with varied experiences, perspectives and backgrounds. The Immigration Reform and Control Act requires that new employees have proof of authorization to work in the U.S.A.
