Registration Form for Chemistry and Biochemistry Senior Thesis/Capstone

First Semester

As the CBC Advising office is completely remote right now, any research and thesis forms submitted at this time will need to be completed electronically.

Please complete and return this form to Olivia Mendoza, at omendoza@email.arizona.edu. Note the CBC Deadline is always the first day of classes. If more time is needed please let Olivia know.

PLEASE ATTACH SENIOR CAPSTONE PROSPECTUS

Student Name:_______________________________Student ID #:____________________________
Student Phone #:______________________Student E-mail: ______________________________
Student Major(s):_______________________________________________________________
Anticipated date of Graduation: _________
CHEM/BIOC Course Number (check): ☐ 498H (Senior Honors Thesis)  ☐ 498 (Senior Capstone)
Section # _______ (leave blank, if you do not know)

[Note: The U of A and the Board of Regents require a minimum of 45 hours of course work for each unit of credit awarded; approximately 3 hours per week worked for each unit of credit in a 16-week semester]

Semester (check):  ☐ Fall  ☐ Spring  ☐ Summer I  ☐ Summer II  Year: ___________

PROJECT INFORMATION & REQUIREMENTS

Research Mentor Name:_______________________________Research Mentor’s Phone #:____________
Research Mentor’s UofA email address:________________________________________________________
Home Department of Research Mentor:________________________________________________________________
Title of Project:____________________________________________________________________________

Hours per week student will spend on project: _____  Mentor/Student contact hours per week: ______
Date(s) for mid-semester evaluation of student performance: ___________ [Note: At least one mid-semester evaluation should be done before the drop deadline]

If appropriate, name of another person who will help supervise the student: ______________________________
Supervisor email: __________________________________________

The student will be required to attend lab meetings (check):  ☐ Yes  ☐ No
The student will be required to maintain a laboratory notebook (check):  ☐ Yes  ☐ No
Techniques the student will learn/utilize as part of this research project (list):

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Tangible products the student will be submit as part of this research project, such as papers, posters, data, Power Point presentations, stocks, strains, etc. (list):

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Additional requirements for this research project (list):

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

The University of Arizona would like to ensure that research experiences for undergraduates continue to be of high quality, reflecting the true nature of the directed or independent research agreed upon. In order to define the research experience for both the student and the research mentor, detailed information regarding the research project is necessary. This Approval Form should be as specific as possible so that both the project advisor and student are aware of the expectations for the project, as well as what criteria will be used to award a grade. The full listing of University of Arizona Policies for Independent Study is available at http://catalog.arizona.edu/

CHEM/BIOC 498(h) is a writing course for BIOC majors. By signing this form, the both the research mentor and the Biochemistry faculty advisor certify that he/she will read the prospectus and the final senior thesis and will assess both the content and the writing style.

REQUIRED SIGNATURES:
