

6" G 7 Ya] g hf m

6" G 7 Ya] g hf m XYa] MU b(for students starting in MATH 122B)

1st Semester Fall

General Chemistry I (1)EE

MATH 122A (1)E

MATH 122B (1)E

Physics I (1) or English II (3)

Workshop (1)

Open Elective (3)

3rd Semester Fall

Chemistry II (3) (Fall only)

Chemistry II (2) (Fall only)

English III (3) or

Fall only)

Chemistry III (3) (or in Spring)

Open Elective

Open Elective (3)

Notes

All major classes starting with General Chemistry must earn a C or better.

You are responsible for ensuring you meet all elective prerequisites.

*If you are not placed in Math 122B in the first semester, the prerequisites are MATH 100 -> MATH 112 -> MATH 120R -> MATH 122A/B

MATH 112 is a **mandatory prerequisite for general chemistry 1

2nd Semester Spring

General Chemistry II (1)

MATH 12J (3)

Physics II (3)

Open Elective (3)

Open Elective (3)

Open Elective (3)

4th Semester Spring

Chemistry III (3) (Spring only)

Chemistry III (2) (Spring only)

Chemistry III (1) (Spring only)

Workshop (1)

Open Elective (3)

5th Semester Spring

Chemistry III (3) (Spring only)

Chemistry III (3) (Spring only)

Open Elective (3)

Open Elective (3)

6th Semester Spring

Chemistry III (3) (Spring only)

Chemistry III (3) (Spring only)

Workshop (1)

Open Elective (3)

Open Elective (3)

Note that some courses are offered in the fall or spring only.

Work with your advisor **every semester** to be sure you are on track to meet all requirements.
