Guidelines for Preceptorship

http://cbc.arizona.edu/education/undergraduate/advising/preceptor_program

1. Notify the course instructor about your interest in becoming a preceptor and complete the preceptor contract together.
2. **FERPA tutorial must be completed online with completion certificate attached to this form.** You will not be enrolled without the successful completion of this training. To access the training, click on Tutorial at the following website: <http://registrar.arizona.edu/personal-information/ferpa-tutorial>

Date of Completion of FERPA tutorial _____ **FERPA tutorial completion must be attached to this form**

3. A student may not be a preceptor in more than one course per semester.
4. The enrollment fee for Preceptorship credit is calculated at the same rate as for other credit courses.
5. Students should enroll within a week after the term commences, (CBC department deadline). Students must complete the required 45 hours of course work per credit unit before the last day of the term. The last day to register for Preceptorship in Fall, Spring and Summer Semesters without incurring a late charge is the same as for all other courses; see <http://www.bursar.arizona.edu/students/fees/census> and http://www.bursar.arizona.edu/students/fees/late_charge.asp.
6. Honors students requesting Honors Preceptorship and the faculty who agree to supervise need to initial the contract form and can consult the Guidelines for Honors Preceptorship at: (http://www.honors.arizona.edu/faculty_and_advisors/preceptors.html) as endorsed by the Undergraduate Council, 4/7/2009.
7. **Project Summary:** A written summary of the special project activities and outcomes must be submitted to the instructor and to the CBC Advising Office no later than the last day of class each semester. This is a requirement for posting of grades for those registered for three units. The project summary (at least one half page in length) should include at minimum:
 - 1) a project description (what was proposed and why)
 - 2) an explanation of the project (what was done)
 - 3) a summary of any findings or a concluding statement (if appropriate to the project)
