The University of Arizona would like to ensure that research experiences for undergraduates continue to be of high quality, reflecting the true nature of the directed or independent research agreed upon. In order to define the research experience for both the student and the research mentor, detailed information regarding the research project is necessary. This Approval Form should be **as specific as possible** so that both the project advisor and student are aware of the expectations for the project, as well as what criteria will be used to award a grade. The full listing of University of Arizona Policies for Independent Study is available at <http://catalog.arizona.edu/>

CHEM/BIOC 498(h) is a writing course for BIOC majors. By signing this form, the both the research mentor and the Biochemistry faculty advisor certify that he/she will read the prospectus and the final senior thesis and will assess both the content and the writing style.
